

Are You Platinum?

The "Platinum Pride" card is designed to motivate and reward students for passing all sections (Language Arts, Math, Science, Social Studies and Writing) of the Georgia High School Graduation Test on the first attempt. Although students can pass the test and earn the right to walk at graduation with a minimum score of 500 the state determines a school's AYP (Adequate Yearly Progress) status from the number of students who score a 516 or higher. In addition, students have multiple attempts to take and pass the test prior to graduation; however, the school is measured on how many students are successful **on the first attempt** in their junior year. As a result, AYP at Rome High School (RHS) now stands for "Are You Platinum?"

Platinum Pride card recipients have great benefits at RHS and within the local community. Membership has its privileges!
